

# Our Clockhouse Association *in*

*partnership with*

**KEYSTONES**  
PROPERTY

As we begin our new academic year, we thought it would be a great opportunity to introduce the 'Our Clockhouse Association' (known as OCA) to all of our new parents and children and re-introduce ourselves to those of you that have been with us from the start. Each new year presents us with the opportunity to welcome new members to join the team. Below is a list of who we are and some words about what we do.

All of us at OCA are extremely grateful for our partnership with Keystones Property and their assistance with our events. They have been there since the beginning and we continue to thank Mr Scott Jay and all of his staff, for their continued support, contribution and commitment to OCA.

## What we do

Our dedicated team at OCA, help to raise funds by organising fun fundraising activities, which help the school to enrich the pupils time and experiences at Clockhouse. This can vary on what is happening at the school or what resources maybe needed.

## Why did you join?

We asked our current members to give us a few words as to why they decided to join OCA. This is what they had to say:

**Mr Koten** - *have proudly chaired OCA from the beginning and together with the team we have formed strong links within the local community. I love seeing and helping the children experience some of our wonderful events that we put together for them. I look forward to continue to Chair OCA and be part of all the events we do.*

**Mrs Lowe** - *I've been with OCA since the beginning. I initially joined as I was new to the school and felt it would give me a great opportunity to find out more about the school and community and to be able help at the events. I have continued to support OCA as I enjoy our events and enjoy when we can help the school with the funds we have raised.*

**Mrs Hull** - *Clockhouse has been part of my life for over a decade—my eldest attended and I also have a child in Year 1. I feel that this is my chance to help the school and give something back to the community. As a parent, I have seen some of the wonderful things OCA has accomplished over the years and the joy that they have brought to our children whilst raising money.*

**Mrs Kaur** - *I joined OCA as I wanted to help raise money that would be for the benefit of our wonderful children and the wider Clockhouse family. Since joining OCA I have really enjoyed helping out with the fun activities that we organise.*
