As required we have some expense, such as Insurances, PTA Memberships and the purchases of equipment to make these events possible.

We have made a profit over the last year, with the proceeds made from these activities we have been able to buy our school the following:-

All Sports Trophies and medals for The Sports Presentation award night.

- Outdoor storage sheds.
- T-shirt's for school Choir.
- Decorations for year 6 leavers disco.
- Tutu's for the year 6 production.
- Happy Land play equipment for nursery.
- Attendance Banners.
- Telling the Time Playground Clocks.
- Giant Clocks for the school building.
- Cooker for children's use.

THANK YOU'S!

We held our second inflatable day this year and again, it was a success. We received a lot of positive feedback and most importantly a profit. This would not be possible without our teachers, staff and parents giving up their time to man the bouncy castles and stalls – so a big thank you.

A massive thank you goes to all the parents, families, teachers and staff that showed their support for our Christmas events, Mother's Day Sale and Father's Day Sale – it was much appreciated – you all contributed to successful events!

Sadly, this will be our last correspondence as due to work commitments and family life we have decided to end our time on the Parents Association. Therefore, we will not be arranging the above events throughout this school year. We have had six great years and are proud of all we have achieved and brought for our school to help and support our children and staff at Clockhouse Primary.

We would assist and support anyone who would be interested in continuing the Parents Association. Please inform the office if this is something you would be interested in.
