Please also look out for news on our further upcoming events in 2018/2019.

MONEY PAID OUT

As required we have some expense, such as Insurances, PTA Memberships and the purchases of equipment to make these events possible.

We have made a good profit over the last year. With the proceeds made from these activities we have been able to buy our school the following:-

All Sports Trophies and medals for The Sports Presentation night.

Sports equipment.

New soft toys for Walking Home from School Bears.

A number of outdoor storage sheds for many year groups.

Contribution towards reading corners in all classrooms.

And of course, I am sure you will all have seen our beautiful new library and we are proud to have contributed a large amount of money to this.

There will be a few dates for the diary coming your way soon, so please keep a look out for these once we have them confirmed. It has been decided we will be having a Christmas themed disco for KS2 children this year. Details of date, time and ticket sales will be confirmed soon. The PA are known for throwing a good disco following the success of the many Halloween Discos and we look forward to seeing all the children for some festive fun. In previous Discos it has sometimes been apparent that although the KS1 children have fun it can sometimes be a bit much for their little ears, so we have decided to hold a separate Christmas event for KS1 children in the way of crafts and activities where we will decorate snow globes and snowflakes and more. Again dates, times and cost will be confirmed to you soon and we look forward to seeing the children.

INFLATABLE DAY 2018

As you would have noticed we replaced our Summer Fete with an inflatable day this year and we all feel that this was a huge success and we received a lot of positive feedback and most importantly a good profit. As a result we are again going to hold this event in next Summer – let's hope we can make it even bigger and better!

CHRISTMAS BAZAAR 2017 – THANK YOU'S!

We would like to thank everyone who made our school Christmas bazaar a success last year!! A few special mentions go to the teachers and staff for all their assistance after school and of course Mr Yarrow and Mr Koten also for being such good sports and volunteering for 'pie/sponge/flour/glitter (and anything that could be found!) the teacher' (again)!! I think you will agree it was a huge success!! Lastly and most importantly a massive thank you goes to all the parents and families that showed their support by helping us and attending – it was much appreciated – you all contributed to hugely successful events!

THANK YOU
FOR YOUR
