KEYSTONES
PROPERTY

Welcome back from the Christmas Holidays. As we begin the new year, we would like to take the opportunity to say thank you for your ongoing and continued support of OCA.

During the last term we held two fantastic festive discos for the children, which everyone thoroughly enjoyed including all the adults that helped us run the event.

Special congratulations to all of our raffle winners, whether this was the star prize or one of our donated hampers. We hope that you enjoyed them.

Below are some more of our member's introductions and why they wanted to be part of the OCA team. We have also had our first meeting, where we have put some events in the diary for you to help us raise funds for our school. We look forward to seeing you at them.

All of us at OCA are extremely grateful for our partnership with Keystones Property and their assistance with our events. They have been there since the beginning and we continue to thank Mr Scott Jay and all of his staff, for their continued support, contribution and commitment to OCA.

What we do

Our dedicated team at OCA, help to raise funds by organising fun fundraising activities, which help the school to enrich the pupils time and experiences at Clockhouse. This can vary on what is happening at the school or what resources maybe needed.

Why did you join?

We asked our current members to give us a few words as to why they decided to join OCA. This is what they had to say:

Scott from Keystones: As the owner of Keystones Property, I take great pride in sponsoring our local school and being actively involved in OCA. Supporting Clockhouse Primary School is a meaningful way for the company to engage with the local community, the kids and giving back to the community that it gives to us. It makes sense, but above all it is fantastic to be part of a school that cares so much about the children.

Mrs Carly Activille: I joined, as I think it's important as a parent to be involved in your child's school where you can, in all aspects. It's important the children see their parents as part of the school infrastructure and contributing to what makes Clockhouse a fantastic school.

Mrs Rachel Collins: For those of you who don't know me, I am Rachel Collins and I have worked in the school office since 2022. I joined OCA as I wanted to help the school raise some much needed funds to further enrich the children's learning and play experiences at Clockhouse. I hold fond memories from my time at primary school of fetes, discos and other events and I believe it is so important for the Clockhouse community to have the same exciting memories so I was only too happy to help and volunteer my time.

Mrs Georgina Ray—I joined OCA as my child has joined the nursery at Clockhouse. I enjoy organising events and being part of the school community and helping where I can.

Mrs Kay Creamer—I joined OCA as I wanted to be part of something that helps raise money for the school to benefit the children.
