This year I joined Clockhouse to train to be a teacher in Year 3 and have loved every minute of it.

I am super excited to say that you will be my first class and I can't wait for the year ahead as Argentina!

I believe that having fun and exciting opportunities is fundamental to the learning process. The Clockhouse values are extremely important within the classroom and will be used every day to promote holistic learning and development. I am looking forward to getting to know you individually and to start our adventure in year 3.

If you have any questions about Year 3, please send me a message on the Dojo.

Have an amazing summer!

Miss Thompson.
