

Welcome to Year 4!

Hello everybody! This is Mrs Fletcher and Mrs Bhogal! We are super excited to be one of your year 4 teachers in September this year. You were in class Argentina this year but next year we are all going to be learning lots of new and exciting things in our class Uganda. Did you know Uganda is known as the pearl of Africa?

We might have taught some of your older siblings. Here is some information about us so that you are a little more familiar with both of us when we meet again in September.

Mrs Bhogal: I have been a teacher at Clockhouse Primary School for 12 years now and I have taught in Key Stage 1 and Key Stage 2. I have taught in year 3 and 4 for a few years before I taught in year 2 for 2 years. I am super excited to be back in year 4 because I get to teach 2 of my most favourite topics; Ancient Egyptians and The Rainforest!! I also have children of my own who are younger than you. I have daughter who is nearly 5 years old and a son who is 7. I was born in the UK and I have travelled to lots of different countries like Dubai, Italy, India and Egypt, where I got to see the real life pyramids and mummies! I have always wanted to be a teacher. When I was little like you, I used to pretend my toys and my younger brothers and sister were my own class and I was their teacher. Coming to school and teaching makes me happy. The children at Clockhouse always make me smile and I am glad I chose to become a teacher.

Mrs Fletcher: I have been a teacher at Clockhouse Primary School for 21 years! I have taught in both Key Stages and have taught Year 4 many times. I am excited to be back in this year group because I love the topics we do. I love teaching about the Ancient Egyptians and finding out about different types of weather around the world. We also go on some amazing trips. I have a daughter who is 7 years old. She goes to our local village school and will be starting Year 3 in September. Like you, I used to live in Collier Row. I now live in Kelvedon Hatch. I love teaching at Clockhouse. It really is like a family.

Mrs Fletcher's Favourites:

Colour: Pink, purple
Food: Pasta, salads
Sport: Tennis, rounders
Animal: Meerkat

Movie: Bee Movie, Encanto, Anastasia, Inside out 2
Book growing up: Harry Potter.
Hobbies: Diamond Art, watching movies, cooking

We think it is very important to be honest and kind to each other. You must always think about how you would like to be treated. We would love it if we could learn in an environment that is fun and safe for us all. We cannot wait to get to know you more individually and we look forward to seeing you all soon!
